Marvellous Edibles Farm!**
Receive 17-20 weeks of fresh and healthy certified organic vegetables. Enjoy healthier and tastier food.

Visit our website for the most up-to-date details about our Vegetable Share CSA program including information on our organic farming practices.

VEGETABLE SHARE PROGRAM 2014

Community Supported Agriculture (CSA) is vital for small vegetable farms. In this system supporters pre-buy shares for vegetables and fruits at a specific farm, investing in that farm's future harvest. For the farmer the advantage is having the funds to invest in the new season without going into debt and for the shareholders it is the knowledge that they will be receiving the best and the freshest vegetables and fruits that farm produces.

Marvellous Edibles, as a Certified Organic farm is committed to supply the best that the farm produces. We believe that our wide selection of vegetables and fruits offer an excellent program to CSA's.

Pick ups are at the farm Tuesdays 3:30 to 7:30 daylight permitting. We will do basket drop offs at a central location on Wednesdays.

Delivery is available for an extra \$ 5 per week per person.

Decisions regarding delivery, and pickups should be made before the season begins and for the whole season.

Coming to the farm for pick up has its advantages because we are set up as a vegetable stand and as a shareholder you can choose the vegetables you want as well as having access to organic eggs, preserves and baking. This year we will be offering Artisanal, Sourdough Breads baked with Certified Organic ingredients. Our program allows you to choose the produce you want at farm pickup.

Each vegetable will have a point value, for example bunch of beets is 1 point, head lettuce is 1 one point, quart of potatoes is 1 point etc. Each share will have a certain number of points to spend (8 small and 16 large). In addition, for holidays you can opt out for up to 3 weeks. And if you cannot be there to pick up send a friend who will sign in and pick up for you.

The Amount you pay depends on the number of weeks and the size of the share you choose:

SHARES	SMALL	MED	LARGE
pts/share	8	12	17
Cost /week	23.00	34.00	45.00
Feeds average*	1-3	2-4	4-6 persons
17 weeks	391.00	578.00	760.00
18 week	414.00	612.00	810.00
19 weeks	437.00	646.00	855.00
20 week	460.00	680.00	900.00

*Depending on your family needs eg. vegetarian, vegan etc.

EARLY BIRD SPECIAL: Discount of one week's payment for those who buy their share before April 15th.

We require a 20% down payment on registration and a cheque for the balance, post dated.

WHAT MIGHT BE IN MY SUMMER SHARE?

Early Season (June/July): Salad mix, peas, spinach, kale, chard, arugula, peas, radishes, Hakuri salad turnips, green onions, garlic scapes, fresh herbs, potatoes, beets.

Mid-Season (Aug/Sept): The above plus heritage tomatoes, peppers, pole beans, garlic, onions, summer squash, cucumbers, red cabbage, carrots, baby bok choi.

Late-Season (Oct): All the tomatoes, peppers and zucchinis frost will allow, all the cool weather delights from earlier in the season plus winter squash, leeks, parsnips, rutabaga...

REGISTRATION CONFIRMATION AND PAYMENT

The costs of growing vegetables are mostly incurred at the beginning of the season. If you require an alternative payment schedule, please contact us so we can accommodate you. Within a week of receiving your form we will confirm your registration by email or phone.

A 20% deposit is required on registration and a cheque for balance post dated.

All payments are due before the first day of the CSA which is June 24, 2014.
